Dear Arturas Visockas,

On behalf of the Khmelnytskyi City Council and all residents of the city of Khmelnytskyi, I express my highest respect and gratitude.

Since the beginning of the full-scale invasion, the city of Khmelnytskyi has become a shelter for internally displaced people. Nowadays, one of our core tasks is to provide quality medical services, as the need for which is increased significantly due to the community population growth of 30 thousand people.

Due to the growing need for medical services, I kindly ask you to consider providing the following medical equipment:

- SLE6000 Infant Ventilator System;
- Medin CNO;
- Tende VAV® NICU Incubator (without options);
- Tende VAV-IW® Infant Warmer (without options);
- Double-dome light (ceiling version) YD02-5+5 LED;
- maviLED Phototherapy.

Thank you once again for your assistance!

Kind regards,

Oleksandr Symchyshyn
