SUBJ: Transfer of Danish donated vehicles.

REF: Lithuanian Armed Forces Logistics Support Command letter No. S-684 (no date).

By ref., forwarded to the Danish Defence Attaché through the Lithuanian Ministry of National Defence, the Lithuanian Armed Forces Logistics Support Command asks permission to transfer military vehicles of the type Magirus-Deutz Jupiter, originally received as a donation from Denmark, to the civilian administration in Lithuania for civilian rescue purposes during winter time.

In response, I have been authorised by the Danish Defence Command to officially approve the requested transfer without any objections or reservations from Danish side.

Sincerely,

A handwritten signature in black ink, appearing to be 'Ulf M. Berthelsen', written over a horizontal line.
