Dear Arturas Visockas,

On behalf of the Khmelnytskyi City Council, all residents of the community and myself, I express my highest respect and gratitude.

Our country is facing tough challenges in the realm of defence and people who residing in areas where active hostilities are ongoing require continuous assistance. Before the frost, we are trying to provide our citizens with thermal underwear to back them up go through the harsh weather conditions in eastern Ukraine.

To this end, we are asking you for humanitarian assistance in the form of thermal underwear for our people. Your support is of great importance to us and we believe that together we manage to help Ukrainians.

I would be extremely grateful for your consideration of this request. I believe in the power of our twinning and shared ability to make a difference in the lives of our people.

Yours sincerely,

Oleksandr Symchyshyn
